Jean, Jim,

Mark just identified to me that policy-wise, ADEQ attendees would have to stay in Arkansas for both their lodging and state vehicle transportation. The ADEQ attendees will currently be overnighing in Harrison, AR, on May 18<sup>th</sup>.

Since this is the case, would it be possible to move the conference room to one of the hotels in Harrison, AR, for May 19<sup>th</sup>, prior to the site visit?

Thanks,

Stephen L. Tzhone  
Superfund Remedial Project Manager
